Class Co-ordinator's Report

Phil is away again and so there is no report from him this month. He sends greetings from Adel's Grove in NW Queensland.

We can report the success of a grant application to improve access to the Cottage. The grant has not yet been processed completely but it should amount to just over \$1000. When the Committee meets and decides on what needs to be done, we shall need recommendations of a tradesman or two

VACATION PERIOD

You will notice that the vac period is listed on the programme but not every class is omitted.

This is because not every group takes the break.

The convenors decide on the question of whether to or not.

Participants are advised to check with their respective leader regarding this procedure.
