Welcome to U3A Hobsons Bay/Williamstown

We are very pleased that you have joined us as a new or returning member. You are now a part of a local community devoted to lifelong learning in a fun and social setting.

Most of the year's activities will start in the first or second week of February. Convenors are asked to notify members of their activity with details of where to meet, when and other relevant details. Members are urged to check UMAS for details about their activities.

Here is some information which we hope you will find useful.
