## **Upgrade to UMAS**

To all Convenors

UMAS has been upgraded from 6.07 to 6.08. The upgrade affects both UMAS core (For Admin and Convenors) and UMAS4M (For members).

It is largely bug fixes and small improvements and mainly impacts Convenors and the Treasurer. A detailed description of the 6.08 content can be found on our web site under heading Resources.

Once you login to UMAS for Admin/Convenors there is now a new text that states this is the login for Tutors (another name for Convenors). Before it was not so clear.
